- ❑ **Create your Personal Security Questions: your questions and answers let you change your password if you forget it.**

The screenshot shows a web interface for setting up security questions. At the top left, the logo "myPatientVisit" is displayed in green. Below the logo, the heading "JUST IN CASE YOU FORGET YOUR PASSWORD" is centered. Underneath, a paragraph of instructions reads: "Please select and answer three security questions from the list below. Your answers will be used to reset your password just in case you happen to forget it." The form contains three identical sections, each labeled "Question 1:", "Question 2:", and "Question 3:" respectively. Each section includes a dropdown menu with the placeholder text "Select a security question" and a small downward arrow on the right. Below each dropdown is a text input field with the placeholder text "Provide your answer". At the bottom right of the form area, there is a blue button labeled "Continue".
